Microsoft® Digital Media Desktop 3000

Ultra-Thin Keyboard | Optical Mouse

The Keyboard and Mouse Designed to Fit Your Digital Lifestyle

Bring your digital media to life with one-touch access to photos, your Windows Media® Player, and more. This sleek, thin, wired keyboard is also designed with Windows Vista® in mind. Microsoft® Optical Technology makes the Wheel Mouse Optical work on virtually any surface.

Digital Media Access

- 1 Media Center — Control your media activities with the touch of a button.
- 2 Hot Keys — One-touch access to Windows Media Player, e-mail, Home, calculator, My Documents, instant messaging, and photos.
- 3 Zoom¹ — Easily zoom in and out of images, documents, maps, and more.
- 4 "My Favorites" Hot Keys — Customize these 5 keys to instantly bring up the photos, folders, files, and Web pages you use most. Simply push and hold to set.
- 5 Enhanced F Keys — Perform common commands from your keyboard.

Great for Windows Vista

- 6 Windows® Flip 3D Key² — Experience this dynamic Windows Vista feature by pressing a key to display a 3D overlay of all open windows, and cycle through them.¹
- 7 Windows Start Button — Simply press to launch your Start menu. If you have Windows Vista installed, search your PC or the Web right from there.

Spill-Resistant Keys

Integrated water channels drain the liquid away.

A Comfortable and Reliable Optical Mouse

Reliable Optical Technology — Wheel Mouse Optical brings the precision and accuracy of Microsoft Optical Technology to a comfortable mouse.

Faster Wheel Scrolling — Move through documents quickly without clicking on the scroll bar.

Designed for Right or Left Hand — Control with your right hand or your left.

System Requirements

You must accept the terms of the License Agreement in software setup before you can use the software accompanying this product.
